CERTIFICATE OF CONFORMITY

Google Workspace

Within the powers granted to the National Security Authority by article 4 (2) (f) of the Decree-Law no. 3/2012, of 16th January and republished by Decree-Law no. 136/2017, of 7th November, I hereby certify that the Google Workspace Software-as-a-Service (SaaS), complies with the Portuguese security requirements defined for Cloud services that process classified information up to NATIONAL RESTRICTED level.

This certification is valid for services hosted in the European Union, provided that they are operated from a duly certified cloud platform, with a security policy that does not allow the existence of more than one simultaneous session by each user, determines conditional access with multi-factor authentication, session blocking every 5 minutes of inactivity, use of secure communication protocols, encryption of data stored and in transit through a dedicated vault for cryptographic keys and certificates with a maximum period of one year, make good use of the tools: Google Workspace's Assured Controls, Data Loss Prevention (DLP), anti-malware and antivirus protection, recording all activity and performing security audits and analysis of static and dynamic vulnerabilities every three months. When accessed through certified mobile devices, the Google Workspace Software-as-a-Service (SaaS) platform services must be centrally managed through a Mobile Device Management (MDM) with a mobility profile that protects information and keeps the platform properly updated.

This certification recognizes that Google will use due diligence to report and share information about security incidents pertaining data related with NATIONAL RESTRICTED information, including indicators of compromise, a point of contact and any other relevant information with the Portuguese National Security Authority in accordance with the applicable law.

This certificate attests that the services identified below are eligible for the processing and transmission of classified information up to NATIONAL RESTRICTED level, for a period of 18 months, until the 26th of April of 2025.
